October 2011

🍏 We enjoyed talking to so many parents, siblings and grandparents at the Fall Festival. We hope everyone had a good time and that you enjoyed meeting your child's friends and family.

🍏 September was a very busy month. The children have settled in nicely – making friends and learning the classroom routines. They have particularly learned how to take on and off their boots and to put them in their proper place. The children enjoyed the rain. The teachers are hoping for sunny days in October.

Thank you!

🍏 We would like to say a big THANK YOU to all the families who have been participating in Fruity Tuesday. The children have been enjoying lots of fresh fruit with snack.

🍏 Thank you too to those families who have donated a book to our library in honor of their child's birthday. We enjoy celebrating children's birthdays. If you would like to have a birthday celebration for your child at school please let his/her teacher know.

Morning Drop Off

A reminder that classes begin at 9:00 am. If you arrive after classes have started, please give your child a goodbye hug before opening the classroom door. Let your child quietly enter the room. The children know how to put their things away and if they should need help, another child or teacher will assist. Letting your child enter quietly shows respect for the classroom and your respect for your child's new-found skills. Thank you.

Weather

Autumn is here, and the weather has started to change. The children love to spend time outside, so please make sure they are dressed appropriately for outside activities...and please remember to label everything!
